Update on IA Assignment Submission for MA Semester I and III Students

Due to infrastructural problems, it will not be possible to administer turnitin checks on IA Assignments in the North Campus English Department office. MA Students, I and III Semester are therefore advised to do their own turnitin checks on each of the four assignments to be submitted by them with the help of the login id and password given below:

Login ID: maenglishdu.2017@gmail.com

Password: 2017@english

A print-out of the turnitin score for each of the IA assignments should be stapled along with cover-page for the assignment (the cover page is to be printed out from the Department Website or obtained from Mr. Parvesh or Mr. Sanjay at the North and the South campus offices respectively) before the submission of the assignments (No attestation required on print-outs).

The deadline for the submission of the assignments remains the same as before i. e. Wednesday, the 15th of November 2017, by 4.00 pm.
